

Be part of creating a new men's shed in Southbank

Are you living in Southbank and looking for ways to contribute to your community and meet your neighbours?

You're invited to join in a discussion about setting up a men's shed.

Meet special guest presenters from across Victoria who will share their experiences of setting up men's sheds such as President of Victorian Men's Shed Association, Hobson's Bay and Daylesford Men's Shed.

What is a men's shed?

It's a meeting and activity space where people can come together around their hobbies and interests, to build, create and repair things, socialise, exchange skills and stay healthy.

And it would be a GREAT thing for Southbank.

When: Join us on Tuesday 10 July at 5.30pm

Where: The Boyd Centre, 207 City Rd and Cnr Balston St, Southbank, Assembly Hall.

Help foster a vibrant cultural precinct with an emphasis on local residents, workers and visitors to Southbank by helping to get this idea off the ground!
